Always mothers when it comes to , first of all , everyone 's eye to the front own mother will come . Someone artistic work mother even when we read image face if we come , from our hearts unintentionally sweet feelings , memories one by one too starts of literature power and function from this consists , in fact . Man in the heart the most good feelings awakening , life to understand , perfect a person to educate is to direct .

In literature mother image when it comes to Sharp Hoshimov his works remember without taking we can no Because he is a writer Sharp Hoshimov in each of his works mother to the image in the population attention is directed . Sharp Hoshimov created mother image from others what with difference does To this question, Professor Saidulla Mirzayev so answer gives : " Sharp Hoshimov created mother image another from images own love with separate stands

But, all in the works really mother love is described we say can Indeed , it is so . Writer embodied mother own love , heart stomach others such as only own to their children not the whole to children , nationality , age , gender hard look at each to a person can give . That 's it feature with it is bright , unrepeatable , original and it is useful ".[1.399].

Sharp Hoshimov in his works embodied mother symbol through all of mothers image tries to draw . This is especially true of " World in the story obvious manifestation will be In the story Uzbek in his wife there is qualities clearly , obviously open given we will see .

" My childhood I remember , warm Summer at night eye to me comes ..." " The world works of the book one chapter so words with it begins , man his mind far away mold gone of childhood sweet memories towards leads Artistic in creation some kind of divine current who believes that there is we are a writer Sharp To Hoshimov this the story to write in the process no doubt one divinity place was it's a mistake it won't happen . After all, we are writers himself as he said : " Always one dream with i live That's it book write it down studied reader , everyone thing If you forget , the work heroes life with if he lives The book reading was day at night with not sleeping , full of excitement if it comes out From there years passed the work again hand when Tag if excited ... Eng big my dream - that's it . Sharp Hoshimov own works with to his dream achieved , of course . An example for in the story The story " Bozor " is cited through in mothers love and of compassion how much a lot let's see can In the story the goat buy to his child clothes take to give for to the market went mother language attached received someone's trick dust falls

Seven a stranger even if it is mother's to his child mercy will come . This story through in mothers love , mercy and compassion , simplicity open given In the story of the writer himself as he said his mother images that 's it unintentionally his another that it is instilled in his works we will see . Sharp Hoshimov his " Two the door " Between " in the novel to the heroes " of the world works " mother of the image qualities moves . For example , your work the most previous in the chapter " Cold in the " message " section Robiyan death reached Rana about : "To this world come what saw poor man Man's case that's the value no ". [2.12] said thoughts " of the world works " in the story mother image obvious remember puts of the work another this is also the case in parts examples we will meet .

Famous Uzbek writer Said Ahmed in his " I lost and what I found " in the work " The world work " about so remembers : "In 1986 Otkir a poet Free Vohidov with Kashkadarya province districts readers with to a meeting goes So from meetings one In Mirako will be

Hands in labor packaging being gone one a collective farmer a woman instead of standing and crying so says :

– Now from God vision " Yours on your forehead again twenty year to live go , mobodo , live your life the rest part to someone to give Are you ready ? that's it twenty year my life that's it to my brothers being to give the answer is that I am ready I would

That's it of a woman in hand covers The pages are skewed turning yellow gone " of the world works " story there is was It seems that it is a story that's it today reading finished Last pages read it, collect it came

... Chase in the district readers with a meeting was That's when Musharraf Khan said black dressed up one a woman instead of stand up , be sharp to the front came

– Baby , that's me at school I am a cleaner . Babies twisted classes I wash and clean . Yours your mother Posh sister is also a cleaner was They are fine places in paradise let it be This is my school from the library received like this the book reading i knew

– It's in his hand holding standing " of the world works " book showed . - Human the head of stone will be since , one my son Afghan in the war dead I ca n't stand it anymore I can how much , come my child , my son instead of son be Writer my son comforting that there is walk ...

He said so from the bosom margylan copy hat in his eyes young with , iloyo start safe to Otkir put on ." [3.241].

" Two the door in between Black but in the image generalization mother symbol we will see . His Robiyan own like a daughter to see him did good things never when thanks that he did not " of the world works " of the story " My sister found I got the story remember puts In the story mother image generalization image Everyone who reads it a person own his mother qualities eye to the front brought up , in the work happen was each of the events own in his life the past remembers These thoughts Uzbekistan people writer Saeed Ahmed is as follows affirms : " The world work " story not to call it an epic would like It is like a song is read . Read it stand up our mothers thinking let's go That 's it , that's it sloppy our mothers in front of one lifetime hang up can't be of our debts reasonable one stretch Did we get it ? one andisha , one question eye in front of us cross standing up takes A short story us honestly , a person to appreciate , respect to do calls ".[3.240].

Briefly by doing to say if we are , Otkir Hoshimov own in his works our mothers photo beautiful and truthful drawing gave is creative .

Sharp Hoshimov " On the border of the notebook in the work " Bitikari ". There are also mothers in the story " Stork " . of love Oman like , maybe more than that that showing will give . Young mother's baby his child leading on the way of the child the eye in maple nest one on the leg upright standing stork falls and he from his mother of this what that one how many times asks . From there years past young , young a child and old , strong the rest mother mother that's it from the ground while passing eyes light faded mother maple above stork what that asks . His son the answer unable to hear the rest mother again one times gave to the question from his son hard rebuke hears This writer so describes : " Nachora , young man." young man navqiran His work a lot , yet to the city return need ... His cave , baby children there is ..." [4.18]. Sharp Pen the owner mother's child for himself sacrifice of his child while adult after reaching after own work , own family , children with hustle being leaving and of his mother to him did good things to forget briefly story to the content absorbed
